

Prosciutto Appletizers

1 16 oz. pkg. thinly sliced prosciutto

3 oz. Brie or Camembert

1 green apple, cored and thinly sliced

2 slices Peppered bacon, cooked crisp (optional), cut into small pieces

Cut the thin apple wedge into thirds and thinly slice the brie and cut into thirds. Cut the prosciutto in half crosswise to make 2 pieces. To the center of the halved prosciutto, add a piece of brie, apple and bacon if desired. Wrap the Prosciutto around the filling and secure with a pick. Makes approximately 32 appletizers.
