

Peach Salad with Cumin Dressing

2 cups peaches, washed, pitted and sliced
1 cup cucumber, peeled, halved, seeded, and sliced
Juice and zest from one half lemon
2 tsp. honey
3/4 tsp. cumin seeds, toasted and lightly crushed
1/2 tsp. kosher salt
1/4 tsp. fresh ground black pepper
2 tsp. minced fresh mint
1/2 cup fresh raspberries

In a medium sized bowl combine the peaches and cucumber. In a separate bowl whisk the lemon juice, lemon zest, honey, cumin, salt, pepper and mint together. Pour over the peaches and cucumber and gently mix. Add the raspberries and lightly toss, being careful not to crush the raspberries.
